Welcome to your new account

Welcome to your new account: thashim887@c2ken.net. Your account is compatible with many [Google services](#), but your c2ken.net administrator decides which services you may access using your account. For tips about using your new account, visit the [Google Help Centre](#).

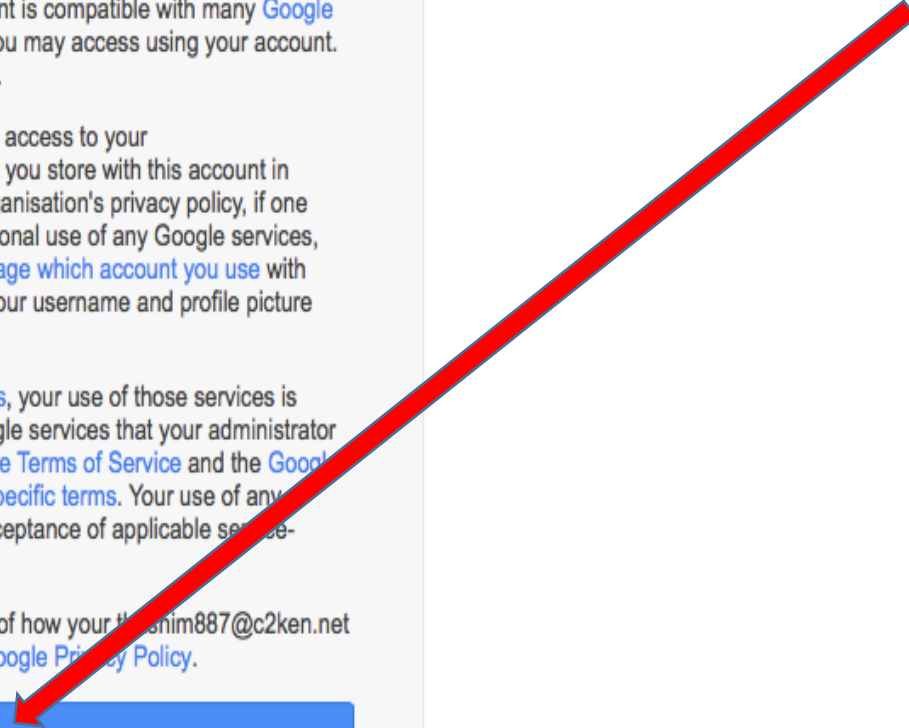

When you use Google services, your domain administrator will have access to your thashim887@c2ken.net account information, including any data that you store with this account in Google services. You can learn more [here](#), or by consulting your organisation's privacy policy, if one exists. You can choose to maintain a separate account for your personal use of any Google services, including email. If you have multiple Google accounts, you can [manage which account you use](#) with Google services and [switch between them](#) whenever you choose. Your username and profile picture can help you ensure that you're using the intended account.

If your organisation provides you access to the G Suite [core services](#), your use of those services is governed by your organisation's G Suite agreement. Any other Google services that your administrator enables ("Additional Services") are available to you under the [Google Terms of Service](#) and the [Google Privacy Policy](#). Certain Additional Services may also have [service-specific terms](#). Your use of any services that your administrator allows you to access constitutes acceptance of applicable service-specific terms.

Click 'Accept' below to indicate that you understand this description of how your thashim887@c2ken.net account works and agree to the [Google Terms of Service](#) and the [Google Privacy Policy](#).
