

GILNAHIRK PRIMARY SCHOOL CANTEEN

KITCHEN SUPERVISOR Kelly Richardson

Contact Number 07772868924

Dear Parents,

Please contact the school kitchen at the start of September if your child has any special dietary requirements.

The catering staff need to be aware of any allergies or food intolerances and we cannot supply any child with a dinner until a meeting with the Kitchen Supervisor has taken place.

Parents must fill in a special diet/allergies form and provide an up-to-date letter of evidence from their GP or hospital consultant.

Can I also ask that parents with children who have contacted me previously regarding their child's dietary needs, contact me as I would need to review their dietary forms also.

Many thanks for your cooperation,

Kelly Richardson Kitchen Supervisor
